## 11.0 Qualifying for the Playoffs

### 11.01

The top team in each of the five pools will receive an automatic berth in the playoffs. A pool is defined as the three or four teams assigned to a particular field during the qualifying rounds.

### 11.02

The pool winner will be selected based on the following in order: record, head-to-head against other pool leader(s), run differential, team donation amount, a silent bidding war against other pool leader(s).

### 11.03

The remaining three wild card teams will be selected based on the following in order: record, head-to-head against other teams (if from the same pool), run differential, team donation amount, a silent bidding war against other potential teams.
